to confirm qualification.

IKIO's Apex Linear Low Bay comes with CCT and power selectable capability, making it not only an energy-efficient alternative to traditional lights but also a high-performance lighting solution with better control. Given the flexibility, you can choose this luminaire for a variety of lighting applications while using lesser number of SKUs. Apex is easy to install and has features like high light output, smooth color rendering, dimming options, and even distribution.

Applications: Parking Lots, Garages, Warehouses, Workshops & Production Areas, Walkways, Restaurants, Retail Stores

FEATURES

- Increased flexibility and ease with IKIO's **CCT Selectable** & **Power Selectable** feature.
- **High Efficacy Lighting with 80+ CRI**, resulting in crisp, uniform, and flicker-free illumination of the space.
- **Easy-to-install Design** that supports Quick Screw-in during lighting installations, making upgrades hassle-free.
- **Ensured longevity** with rugged iron housing, an effective heat sink, and durable polycarbonate lens.
- **0-10 V Seamless Dimming function**, allowing adjustment of the brightness of lights.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified. Visit www.designlights.org/search to confirm qualification.
• Published lumens on LED products are approximate and may vary slightly. • Specifications are subject to change without notice. • Photos and drawings may not be to scale and are for general reference only.
