## CANOLUX

### GAS STATION CANOPY LIGHT (CCT & POWER SELECTABLE)

IKIO's Canolux Gas Station Canopy Light enhances safety in commercial and industrial spaces and serves as a high-efficiency, energy-saving option compared to conventional lighting. It features CCT & power selectable technology and a sleek, low-profile design, making it a versatile luminaire for different uses. In addition, its robust construction and powder coat finish contribute to its long-lasting durability. This luminaire comes with surface mounting.

**Applications:** Gas Stations, Parking Lots, Garages, Walkways, Entryways, Convenience Stores, Warehouses

## FEATURES

- **CCT and power selectable capability** provides the benefit of multiple SKUs in one, reducing deadstock.
- **Aluminum housing with die-cast construction** and a robust heat sink to ensure effective heat management and extended fixture life.
- **Microwave motion sensor** ensures seamless control and convenience.
- **Luminous efficacy of up to 146lm/W** for enhanced visibility and high energy efficiency.
- **IP65 rated** to perform in wet locations and low temperatures.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified. Visit [www.designlights.org/search](https://www.designlights.org/search) to confirm qualification. • Published lumens on LED products are approximate and may vary slightly. • Specifications are subject to change without notice. • Photos and drawings may not be to scale and are for general reference only.
