

CONTRILA

CCT & POWER SELECTABLE EDGE-LIT PANEL LIGHT
COMMERCIAL LIGHTING | PANEL LIGHTS

PRODUCT DETAILS

IKIO brings you Contrila CCT and Power Selectable Edge-Lit Panel Lights which not only offer great efficacy but also allow you to switch to multiple color temperatures and wattages, thereby offering greater light control. Produced using high quality aluminum housing, these panel lights are an excellent alternative to traditional fluorescent troffers as retrofits. Their edge-lit design and lightweight structure easily lay into drop ceilings. The LED and flat panel combination provides an energy-efficient luminaire with no shadows or dark spots.

FEATURES

- **Edge-lit low-profile design** makes it perfect to be used for drop ceilings.
- **Multiple CCT and Wattage selectable** feature adds to the ease of use and offers better light control.
- **High CRI** helps the colors to appear crisp and add to the area's look.
- **Quality light output** with evenly distributed light - high-quality LGP.
- **Supports 0-10 V dimming.**
- Ideal for retrofitting old and malfunctioning fixtures in commercial applications.

APPLICATIONS

Hospitals	Airports
Lobbies	Malls
Offices	Commercial Application
