

DELPHI

FUEL PUMP CANOPY LIGHT

Delphi Fuel Pump Canopy Light promotes safety in commercial and industrial spaces while proving to be a high-performing, energy-efficient alternative to traditional lighting. It comes with CCT & power selectable technology and a low profile, which make it suitable for a variety of applications. In addition, the luminaire's sturdy design and powder coat finish only add to its longevity and durability. The fixture supports both pendant and surface mounting.

Application : Gas Stations, Commercial Spaces, Parking Lots, Other Industrial Spaces, Warehouses, and Hospitals.

FEATURES

- **Low-profile, stylish design** with durable powder coat finish.
- **CCT & power selectable option** ensures flexibility for varied applications.
- **Suitable for ambient operating temperature.**
- **Meets the FCC Part 15, Part B, Class A standards** for conducted and radiated emissions.
- **Comes with dimming capability (0-10 V).**
- **Surge-protected and IP65 rated** for wet locations.
