DELPHI

WALL PACK (SEMI CUTOFF)

(CCT & POWER SELECTABLE)

Delphi Semi Cutoff Wall Pack, a highly efficient LED Lighting solution, is designed with superior light controls as it allows its users to switch to different CCTs and wattages to suit their requirements. This new CCT & power selectable LED wall pack enables easy application in multiple areas. The rugged housing of this luminaire offers advanced thermal management & protection against outdoor environments without compromising with its aesthetics.

Application : Building facades, commercial spaces, industrial areas, retail & hospitality buildings that demand long service life and low maintenance.

FEATURES

- **CCT & power selectable** capabilities.
- **Excellent light output** with even and wide distribution.
- **Saves greater energy** over the traditional lighting fixtures.
- **Suitable for operation** in low working temperature.
- **Moisture & dust** resistant.
- **Durable die-cast** aluminum housing.
- **Rugged construction** which makes it ideal for use in outdoor spaces.
