DELPHI

WALL PACK (FULL CUTOFF) (CCT & POWER SELECTABLE)

Delphi Full Cutoff Wall Pack, a highly efficient LED Lighting solution, is designed with superior light controls as it allows its users to switch to different CCTs and wattages to suit their requirements and enables easy application in multiple areas. The rugged housing of this luminaire offers advanced thermal management & protection against outdoor environments without compromising with its aesthetics.

Application : Building facades, commercial spaces, industrial areas, retail & hospitality buildings that demand long service life and low maintenance.

FEATURES

- **CCT & power selectable** capabilities.
- **Excellent light output** with even and wide distribution.
- **Saves greater energy** over the traditional lighting fixtures.
- **Suitable for operation** in low working temperature.
- **Moisture & dust** resistant.
- **Durable die-cast** aluminum housing.
- **Rugged construction** which makes it ideal for use in outdoor spaces.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified. Visit www.designlights.org/search to confirm qualification. • Published lumens on LED products are approximate and may vary slightly. • Specifications are subject to change without notice. • Photos and drawings may not be to scale and are for general reference only.
