

DELPHI WALL PACK

INDUSTRIAL LIGHTING | LED WALL PACKS

PRODUCT DETAILS

Delphi LED Wall Pack is a highly efficient LED lighting solution offered in three different variants — semi cutoff, full cutoff & adjustable. This luminaire incorporates an advanced CCT & power selectable technology that allows users to switch to different CCTs and wattages to meet their varied requirements. Moreover, the rugged housing of this luminaire offers advanced thermal management & protection against outdoor environments without compromising with its aesthetics.

FEATURES

- **Exceptional efficacy** (135 lm/W).
- **State-of-the-art technology** - Incorporates CCT & power selectable options.
- **High performing luminaire** - Renders excellent light output with even and wide distribution.
- **Energy saving technology** - Saves greater energy over the traditional lighting fixtures.
- **Moisture & dust resistant** - IP65 rated.
- **Highly durable** with die-cast aluminum housing.
- **Suitable for operation in low working temperature.**
