

EDIN

WALL PACK (SEMI CUTOFF)

(CCT & POWER SELECTABLE)

Not all product variations listed on this page are DLC qualified. Visit <https://www.designlights.org/gpl> to confirm qualification.

The Edin Semi Cutoff Wall Pack comes with CCT and power selectability, giving you superior control over your lighting. You can easily toggle between different CCTs and wattages to meet your specific lighting needs, making this luminaire ideal for a variety of applications. Moreover, its robust housing provides excellent thermal management and safeguards against the elements, all without sacrificing its visual appeal. If you are looking for a wall pack that simplifies your lighting upgrade and enhances your experience, Edin is your best bet!

Applications: Building Facades, Entrances, Courtyards, Commercial Spaces, Industrial Areas, Retail and Hospitality Buildings, Landscape Lighting

FEATURES

- Comes with **CCT and power selectable** capability.
- **Rugged die-cast aluminum housing** makes it ideal for outdoor use.
- **Offers wide light distribution and greater energy savings** compared to traditional fixtures.
- **Excellent efficacy** supported by high light output and CRI, resulting in **bright, clear, and uniform illumination**.
- **Surge-protected** and suitable for wet locations (IP65 rated).
- **Dimming capable (0-10 V)** for enhanced lighting experience.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified.
