MAGNUS

ARCHITECTURAL FLOOD LIGHT

(CCT & POWER SELECTABLE)

IKIO's Magnus Architectural Flood Light is a next-gen color and power selectable outdoor luminaire designed to deliver high performance illumination and durability in expansive commercial and industrial spaces. With features like die-cast aluminum housing, a rugged design and integrated cooling fans, Magnus ensures optimum heat dissipation, resulting in the reliability of the lighting system and a long lifespan.

Applications: Stadiums and Sports Venues, Light Towers, Outdoor Advertising, Gymnasiums, Plazas, Airports, Courtyards, Public Areas, Ports

FEATURES

- **CCT & power selectable** capability.
- **Superior efficacy**, rendering clear light output.
- **Dimming capable**.
- **Integrated cooling fans** for optimum heat dissipation.
- **IP65 rated** - suitable for wet locations.
- **Uniform illumination** with no flickering or humming.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified. Visit www.designlights.org/search to confirm qualification.
• Published lumens on LED products are approximate and may vary slightly. • Specifications are subject to change without notice. • Photos and drawings may not be to scale and are for general reference only.
