ROBUS

COBRA HEAD STREET LIGHT

(POWER SELECTABLE)

IKIO's Robus Cobra Street Light is designed to provide exceptional illumination and energy efficiency. Its self-cleaning feature minimizes maintenance requirements, while the durable construction ensures long-lasting, reliable performance. Easy to install, this luminaire is the perfect choice for lighting roadways, sidewalks, and parking lots in commercial and industrial settings.

Applications: Street Lighting, Outdoor Parking Areas, Public Entrances, Highways, Bridges, Sports Yards

FEATURES

- Features **power selectability for precise control** and adaptable illumination.
- The luminaire comes with **global certifications (ROHS, UL, DLC)**.
- **Unique design** that allows self-cleaning and can withstand storms.
- Designed for ease of maintenance and operation with **screw/buckle locks and push-in cable connectors**.
- **Equipped with an adjustable adaptor** to accommodate varying installation requirements.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified. Visit www.designlights.org/search to confirm qualification. • Published lumens on LED products are approximate and may vary slightly. • Specifications are subject to change without notice. • Photos and drawings may not be to scale and are for general reference only.
