VISIOLIT

BACK - LIT PANEL LIGHTS

(CCT & POWER SELECTABLE)

IKIO's Visiolit Back-Lit Panel Light is a versatile recessed lighting solution designed for commercial indoor spaces. With CCT and power selectability, it allows flexible lighting color adjustment on-site while minimizing SKU complexity. Its uniform backlit design provides consistent, glare-free illumination, making it ideal for high-visibility environments. With high efficacy, wide beam distribution, and standard dimming compatibility, Visiolit supports energy savings and visual comfort in grid ceiling applications. Built to meet DLC and UL certifications, the fixture is also compatible with DC sensor systems and emergency battery backup options.

Application : Offices, Conference Rooms, Educational Facilities, Retail Stores, Healthcare Clinics, Corridors, Commercial Interiors

FEATURES

- **CCT selectable (3500K-4000K-5000K)** for adaptable color temperature control.
- **High efficacy lighting and uniform backlit design** supports energy-efficient operation and uniform brightness.
- **Wide beam angle ensures** even light distribution across standard ceiling grids.
- **0-10V dimming capability enables flexible brightness** adjustment via control systems.
- **Supports DC sensor integration for lighting automation** and zoning control.
- **Compatible with emergency battery backup systems** for critical applications.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified.
